

## Customers Trust Us for Lifesaving Training

**American Red Cross**  
Training Services

Every year, over 5 million individuals and thousands of businesses and organizations turn to the American Red Cross as their “Go-To” source for emergency and safety training and we are honored to serve them.

### **Prime Healthcare**

“The Red Cross Resuscitation Suite™ program brings an innovative, highly adaptive, competency-based solution to our healthcare professionals, offering a new standard of excellence in resuscitation education. At Prime Healthcare, we believe this is the best educational option available to further train our staff on resuscitation competency.”

**Sunny Bhatia, MD**

CEO of Region I and Corporate Chief Medical Officer

### **Community Health Systems**

“...Exceptional adaptive learning methodology and newer manikin technology with more effective visual feedback.”

**Lynn Simon, MD, MBA**

President of Clinical Operations and Chief Medical Officer

### **Emergency Medical Consultants**

“Anytime we have an issue or need a clarification, we get it done in a day. Red Cross has basically looked at what doesn’t work with other providers and made sure they get it right.”

**Shaun Fix, PMD, NRP**

City of Boca Raton Fire Rescue (retired)  
President

### **Ardent Health Services**

“At Ardent hospitals, we set and achieve aggressive quality standards of care. We believe the Red Cross Resuscitation Suite program is the best educational option available to further train our healthcare workforce on resuscitation competency.”

**Laurie S. Bigham, RN, FACHE**

Chief Nursing Officer and Vice President

---

### **Washington State University**

“The Red Cross Scientific Advisory Council is a critical piece for us. As an academic institution, we like to use the scientific reviews and focus on both the ‘hows’ and ‘whys’ of what we teach. This is a big plus for us.”

**Shannon LaRoza**

Assistant Director, Aquatics & Shared Facilities

---

### **Life Time, Inc.**

“Red Cross has done a great job of making sure the information is engaging and that students come out of the program really knowing the information. Our measure of the effectiveness of Red Cross training is in how few incidents we have in our facilities.”

**Kim Lichtenwalter**

Safety Program Manager for Kids and Aquatics
