50th ANNIVERSARY

EMS WEEK

May 19-25, 2024

This year, as we recognize the 50th anniversary of the first National EMS Week, we honor those who came before us, especially those who challenged the status quo and raised the bar for all of us. And at the same time, we look forward, building on their efforts and committing ourselves to forge a future for the next generation of EMS professionals to serve their communities.
